

INTRODUCTION

Being a lifelong “steamie” and collector of vintage vehicles, whilst on a business trip to India Michael was inspired by a Colonial Cream Tea served in a vintage train station.

Having already created the Bannold display gardens to showcase the stone and aggregate why not build a railway station?!?! He was offered the York stone platform from Oakham station and the journey began.

The vintage carriages were lovingly restored to a first class comfortable surrounding for you to visit and enjoy our seasonal menus.

Our menus continue in our attention to detail using locally sourced produce and Bannold grown fresh fruit and vegetables. Not forgetting our free range corn fed Bannold hens eggs. Also to minimise all our food miles these Carriages stay at Bannold!!

From A Railway Carriage

by Robert Louis Stevenson

Faster than fairies, faster than witches,
Bridges and houses, hedges and ditches;
And charging along like troops in a battle
All through the meadows the horses and cattle:
All of the sights of the hill and the plain
Fly as thick as driving rain;
And ever again, in the wink of an eye,
Painted stations whistle by.

Here is a child who clammers and scrambles,
All by himself and gathering brambles;
Here is a tramp who stands and gazes;
And here is the green for stringing the daisies!
Here is a cart runaway in the road
Lumping along with man and load;
And here is a mill, and there is a river:
Each a glimpse and gone forever!
